Senator S hutz

"The Laberal Rapublicans appear to have amene-rly taken up the audges for the overthrow of the ragular Laberal rapublican party And yet this naw party has but few leaders and few follower, they have no record or past deeds to rely upon, unless it may be in Missouri, where they have helped the D mo racy to become mesters of the stimation and elect to the United States Secate one F P Billing, in insolute and the principled renigned and Democrate There is truly no worthly record about this The creed and rargemines of the new pirty from ness a political millenium, since it the power is given by the theory of the properties of the properties

sim is not to 100 me, the inferests of the Bermans, but the rive selfish ambition

MENTAL CHARACLERISTICS

Mr B of is a fluid and pricing writer, and can throw iff dry there as any asymptotic distribution of the pricesson. His mind is immential the pricesson. Mr. Ber is a fin it and prine writer, and can throw iff digitate of any and the derivers and can throw iff digitate of any and the prices of a say other rish in the prices of liss mind is emically and the prices. His mind is emically and the prices of a say in the prices of liss mind is emically and fixed they expend the matter of the key on the part of sols and haure. He can also precen the writer of two years and the most of the best writers. He write g as in the main solid, hough he cousn aly in the main solid. He writes a bad band. One night is gentlement connected with the chiefeld of writen having of an eligibant in a lamb paster. When his sympt he sare enlisted he writes a good obtain youthed and it well as would have called "good copy" Bloss it is like the tricking of an eligibant in a lamb paster. When his sympt he sare enlisted he writes a good obtain youthed and investing his tribute with a good deal or gen into takes.

A special in the principle of the mother, which matter better nor worse than the swrape almost stolid. Norwich-tanding the hard, dry, math-matical case of his mind, he is the matter of the has done by could do any worse.

The Queen's John Brown.

the men as if he wild go over bodily to
the Pro-stans. He had no of offernous in
French E publications. and felt almost as
udifferent as the Arkinsis woman in the
historical encounter between her husband
and the bear.

George H. Pendleton was another sub-et of Mr. Bloss's admiration get of Mr Bloss's admiration. We believe be once played the part of Boswell to Mr Pendleton, and wrote his biography in a style which showed conclusively that his was a labor of love. It is generally understood that Mr McCai liggb, late mana. er of the Enquirer did not sympath to with Bloss in his Pendleton to nian here worship, and it is related of Mack that he used to religiously go through the mails before they reached Bloss, and carefully suppress all papers which contained the speeches of "Gantleton to his master, as well as by through the mails before they reached Bloss, and carefully suppress all papers which contained the speeches of "Gantleton to his master, as well as by a shrewd remarks and independent or every emergency. If the clouds gathered which contained the speeches of "Gantleton to his master, as well as by shrewd remarks and independent or every emergency. If the clouds gather the speeches of "Gantleton th

spok n of sell I were a patent medicine G of morning, sr"
D noise to the control of the control roouff and he merely boked around with a half musch expression, and the comment 'Rath r testy''

Mr Bloss has a little vineyard of fen or twiver-cross at Branch Hill, on the Little Mismi Kalicoad, where he lives, oming to the etvevory morning on an early train, ging out in the evening. He is very much attached to his Areadian home plays in compiling a table of election re-turns, and figuring out constantly in creasing Democratic gains

uing nominating conventions H works like a cleaver, and his friendship

a word or a thought, the drone ceases with the ceases not of the ret grawing pen, and he thoughtfully strokes his smoothly shaven chin, with an occurrent search of the head, until the idea come, when he remines. While writing, his head oscillates to the richt, with a downward in sinestron, describing a sort of parabola. He dies not stick cut his tongue in writing. The croping rong is indispensable as pen and task to composition. He could not more write without it than a mule could kick without first laying back his ears

27th.

The meeting which had been adjourned on the list of buyers requested by Mr. W. And anthems on the Recurrection Mora! from last Saturday evening, was called to S. McMullen, that they have concluded gentlemen proposed and elected members a list of all the members of the Exchange, of the E cohange: Mesers, T. W. Allison, and state the parties and markets they On motion the report was accepted.

The Secre ory road a telegram from J McMulien, Secretary of the Pettoleum A. Bistwick to Diniel O Day, which was Erndnears' Union, asking that a list of ac- received with expressions of doubt and redited buyers, deslers and shippers, con- contempt, and the board refused to allow acted with this exchange, and in good it to be placed on the minutes. The tele stunding, be furnished to the Executive gram was to the effect that Bestwick had withdrawn from the South Improvement

It was moved and seconded that a com- Company and has nothing further to do to make out such list. The motion was S. P. Boyer offered a resolution as fol-carried, and Messrs J. Foster Clark, S. P. lows: Whereas, Henry Harley, by his un

questionable adherence to the interests of the people of this region, by his devotion to us in the hour of emergency, by his liberal and gentlemanly bearing in his general business connection with us, has entitled himself to our thorough reepest and confidence; we, therefore, as an expression of our good will and ap Resolve, That we recommend to the Eric Board of Directors the appointment of Mr. Hurley us the oil agent of the road, as meeting the desire and approval of this board.

It was moved by Mr. Bassett that the coretary send a copy of the resolution dopted to Mr. Harley. Motion carried. Mr. Lee moved that the room commit se be requested to furnish thirty addiional scats. Carried.

by Mr. Warner at the meeting last night, rking the resignation of Daniel O'Day Joseph Seep and J. Wesley Alexander be reconsidered. Carried. J. D. Archbold said that he should discontinue the charges he preferred last

night against the above named gentle en, as he was entisfied that Mr. Bost risk had severed his connection with the South Improvement Company; and he did not consider, therefore, that any every member of the Exchange in good ground for charges existed. It was moved and seconded that the

roasurer make out and forward to W S. M. Mullen the list asked for, The meeting then adjourned. Organize! Organize! Organ

ize! Push the kroducers kroud! Now that the railroad freights have

DEAR SIRS,-Permit me to correct some statements made in your paper this morning under the head of "Oil Famine in ous idea of matters interesting to the

letter might have been different. In the first place the quantity of oil ex-

light, is not so explosive in character, and above all (remember this is in England) is very much chesper; therefore takes the pluon of oil to a great extent. But still Joseph F oil is used to a much greater extent than

being ridiculous. Having recently left the city after a twenty-five years' residence, (and I presume it has not gone Wm H Constable back a great deal during the past two CF cole cru-hed by outside rings and monopolies. Fears,) I must beg to flatly contradict John Normile each a statement and say that all the each a statement and may that all the Philip flowing hotels of may pretentious to the name are Chas - Mahana illuminated by gas all sear the house, it be PP Brad-treet
ing found decidedly more economics JW Coner
then any other light. The "Langbam" ing found decidedly more economical then any other light. The "Laugham Hotel," the largest and most magnificent in London, is celebrated to a certain extent for the extravagance of its adornments and is fitted up with massive gas Wickham & Co chandeliers and gus pendants, in every room in the house, possibly excepting a few attic bed-rooms, which probably might have to be illuminated by the old-fashioned wax onadle. Mr. Sunderson the en, who surely would know how to trim HC Bos sy., his native lamp if necessary, which, by the way, being another contradiction. The simps in use are made in England, not the would render the price of them far above the purse of the people who would wish to use oil. I have only to add that I trust that before Mr. Myers returns to his

friends he will make himself better acquainted with facts, otherwise the time spent in research and travel will not have produced the effect upon the intelligence

the time be has been connected with the Exchange ho has violated no rule, or did not not a support of the most house, is in my opinion no security against the tendence of the most house, is in my opinion no security against future conrecablements of the Such farmough principle of the most house, is in my opinion no security against future conrecablements of the Such farmough principle of the most house, is in my opinion no security against future conrecablements of the Such farmough principle of the most house, is in my opinion no security against future conrecablements of the Such farmough principle of the most military in the most military. They said that distinct that goes in opposition to the course taken by a should be brought, mad the respondents trick as the ty-levs provided for, and it is also be tricked in the sould be brought, and the respondents trick as the ty-levs provided for, and is an independent like of the tumber of the like only future as against the soll of the uses, we can at least express our approved to the use in the soll of the course of of t

Ittusville the citizens of that city had a meeting at their Oil Exchange and voted in fayar of the construction of a railroad to Buffalo. Mr. M. N. Alion himself was present at that meeting, and after the pursage of the resolution to units with the people of New York in the construction of trailroad to Buffalo, Mr. A. offered a resolution that Dr. Roberts and two others as a committee to procure aid for that road. This committee is pursaance of the matraction of this meeting did go out, solicited sub-criptions, and obtained about \$100 000 pledged for the Buffalo road.

The MERALD SENS: "Fits original Juhn O Neiti. James H Cald sell KH Surgent. mes Parser & Co.. nos 1. Habait

> jadgment, not to get excited."
> And Mr. A. comments thus: "New Leabmit that the editors of the Himalib ought to bide their heads in shame! They know, and everybody in this community knows that they know, that those subseriptions were represented to the Buff to and Jamestown delegation GENUINE. None of the Jamestown delegation, so far None of the Jamessown dategation, of the se we know, were told or believed that the amount pledged upon that subscription bad any legal torco. We were semewhat similarly attuated ourselves, as was the delegation from Bullalo. When asked what we abould do, we said the flow of what we should do, we said the town of Efflicts twill seem to re bonds for \$200,000 in aid of the read. The Buffale delegates and their city would issue its bunds for \$1,000,000. Of concess in advance of the steps r quired by law we could only pledge these amounts, we could not legally hind our respective corporations one dollar. As

> > Mr. Allen easy further that after the passage of the recolution at the Franklin meeting for the construction of a road from Titusville to Erie and to Buffalo, there was an understending upon the committee that nothing further should be said upon the question of building railroads until an organization of the oil men should be effected.
> >
> > We were present at that meeting of the committee from its beginning to its close, and we know of no such understanding. Mr. Galbraith had prepared a resolution in favor of the construction of a reilroad in favor of the construction of a reilroad from Tituaville to some point on Lak Eric. After consultation with the Bufful delegation, we informed the committee we could not favor such a resolution we could not favor such a resolution. That we were not there to oppose any road to Eric, but we were there to urge the immediate construction of a railroad to Buffalo. That we were perfectly willing the convention should recommend the construction of a road to E ie, but we should insist upon a recommendation from the convention for the construction of a road to Buffalo, and we were ready to act at once in the matter. That we saw no ne-

one on the matter. That we saw no ne-too cessity of this eternal fight with Eric. Let the convention recommend both roads and then each organization go to work in a generous rivalry to build their respective 1,000 a generous expansion onsented to that amond-Mr. Gaibraith consented to that amondment and the resolution passed recommending the construction of both reads, and everybody upon the committee, including M. N. Allien, had fair notice that the New York people meant business and would take measures at once for the construction of the Buffalo read.

We find no fault with Mr. M. N. Allien for opposing the Buffalo read sumply. That he has a right to do. We had been informed that he had the management of the Conference in former to it for the construction.
